NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. FINDINGS

1.1 This Court has jurisdiction over the subject matter of this lawsuit and over all Parties.

1.2 The terms of this Judgment/Order shall be governed by the laws of the State of Ohio.

1.3 Entry of this Judgment/Order is in the public interest and reflects a negotiated agreement among the Parties.

1.4 The Parties have agreed to resolve the issues resulting from the Covered Conduct by entering into this Judgment/Order.¹

1.5 BARD is willing to enter into this Judgment/Order regarding the Covered Conduct in order to resolve the Attorneys General's concerns under the State Consumer Protection Laws as to the matters addressed in this Judgment/Order and thereby avoid significant expense, inconvenience, and uncertainty.

1.6 BARD is entering into this Judgment/Order solely for the purpose of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which BARD expressly denies. BARD does not admit any violation of the State Consumer Protection Laws set forth in footnote 4, and does not admit any wrongdoing that was or could have been alleged by any Attorney General before the date of the Judgment/Order

¹This agreement is entered into pursuant to and subject to the State Consumer Protection laws cited in footnote 4.

under those laws. No part of this Judgment/Order, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing by BARD.

1.7 This Judgment/Order shall not be construed or used as a waiver or limitation of any defense otherwise available to BARD in any other action, or of BARD's right to defend itself from, or make any arguments in, any other private individual, regulatory, governmental, or class claims or suits relating to the subject matter or terms of this Judgment/Order. This Judgment/Order is made without trial or adjudication of any issue of fact or law or finding of liability of any kind. Notwithstanding the foregoing, a State may file an action to enforce the terms of this Judgment/Order.

1.8 No part of this Judgment/Order shall create a private cause of action or confer any right to any third party for violation of any federal or state statute except that a State may file an action to enforce the terms of this Judgment/Order. (Note: Some states may require state specific modifications to this language.) It is the intent of the Parties that this Judgment/Order shall not be binding or admissible in any other matter, including, but not limited to, any investigation or litigation, other than in connection with the enforcement of this Judgment/Order.

1.9 This Judgment/Order (or any portion thereof) shall in no way be construed to prohibit BARD from making representations with respect to any BARD products in Labeling that are required under Federal law, regulations, or policies or guidance having the force of law, including in Food and Drug Administration ("FDA") approved Labeling.

1.10 Nothing in this Judgment/Order shall require BARD to:

- (a) take any action that is prohibited by the Food, Drug and Cosmetic Act, 21 U.S.C. § 301 *et seq.* ("FDCA") or any regulation promulgated thereunder, or by the FDA; or

3. COMPLIANCE PROVISIONS

A. Exit from Urogynecologic Surgical Mesh Business

3.1. BARD states that it ceased the marketing, promotion, sale, and distribution of Urogynecologic Surgical Mesh in the United States and the manufacturing of Urogynecologic Surgical Mesh for sale in the United States by December 30, 2016.

3.2. In the event that BARD engages in any conduct involving the manufacture, promotion, marketing, sale, or distribution of Urogynecologic Surgical Mesh, either directly or indirectly through any third parties, in the United States, it shall be bound by the following provisions contained in Sections 3.4 through 3.27 of this Judgment/Order for ten (10) years from the date of first sale of an Urogynecologic Surgical Mesh product in the United States or for twenty (20) years from the Effective Date of this Agreement, whichever is less. Section 3.3 is not time restricted. Nothing in this Judgment/Order shall be construed to require BARD, for any Urogynecologic Surgical Mesh product approved through the FDA Premarket Approval process, to utilize product labeling different from that which is approved by the FDA.

B. Marketing, Information, and Training

3.3. In promoting Urogynecologic Surgical Mesh, BARD shall not violate the [enter state consumer protection law].

3.4. BARD shall not, in any Marketing Materials, make any claim comparing safety or efficacy clinical outcomes with the use of Urogynecologic Surgical Mesh to any non-mesh procedure safety or efficacy clinical outcomes, unless any such representation is supported by

Valid Scientific Evidence. BARD, however, may make comparisons in any Marketing Materials not involving safety or efficacy clinical outcomes, if not false, misleading, or deceptive.

3.5. BARD shall not, in any Marketing Materials, misrepresent the safety or efficacy of its Urogynecologic Surgical Mesh by omitting Significant Complications or Inherent Mesh Complications, as appropriate given the length, context, medium, and placement of the Marketing Material and in all instances where the Marketing Material purports to address the subject of complications.

3.6. In any Marketing Material that is intended to reach patients or consumers other than or in addition to Health Care Providers, BARD shall also include descriptions of Significant Complications and Inherent Mesh Complications in terms reasonably understandable to a patient.

3.7. BARD shall not, in any Marketing Materials, misrepresent the extent to which Inherent Mesh Complications are risks or complications common to all pelvic floor or other surgeries.

3.8. BARD shall not, in any Marketing Materials, represent or imply that Significant Complications or Inherent Mesh Complications can be eliminated with surgical experience or technique alone. However, for Post-Effective Date Urogynecologic Surgical Mesh, BARD may, in any Marketing Materials, represent or imply that Significant Complications can be eliminated with surgical experience or technique alone, if such statement is supported by Valid Scientific Evidence.

3.9. BARD shall not represent or imply that such Urogynecologic Surgical Mesh does not cause a foreign body reaction, including any chronic foreign body reaction, after the Urogynecologic Surgical Mesh is implanted inside the body. However, for Post-Effective Date Urogynecologic Surgical Mesh, BARD may represent or imply that such Urogynecologic

Surgical Mesh does not cause a foreign body reaction, including any chronic foreign body reaction, after the Urogynecologic Surgical Mesh is implanted inside the body, if such statement is supported by Valid Scientific Evidence.

3.10. BARD shall not, in any Marketing Materials, represent or imply that such Urogynecologic Surgical Mesh is “soft” or that it has “multidirectional elasticity” within the body after implantation or use any other phrases having an equivalent meaning. However, for Post-Effective Date Urogynecologic Surgical Mesh, BARD may, in any Marketing Materials, represent or imply that such Urogynecologic Surgical Mesh is “soft” or that it has “multidirectional elasticity” within the body after implantation or use any other phrases having an equivalent meaning, if such statement is supported by Valid Scientific Evidence. Nothing shall prevent BARD from making claims to Health Care Providers about the softness and elasticity of Urogynecologic Surgical Mesh prior to implantation inside the body provided the claims do not suggest these properties are retained in the body.

3.11. BARD shall not, in any Marketing Materials, represent or imply that such Urogynecologic Surgical Mesh, including its collagen Urogynecologic Surgical Mesh, helps the body more readily accept a foreign body implant, or reduces the risk of foreign body reaction, erosion, infection, or any other Urogynecologic Surgical Mesh complications, including any Significant Complications or Inherent Complications. However, for Post-Effective Date Urogynecologic Surgical Mesh, BARD may, in any Marketing Materials, represent or imply that such Urogynecologic Surgical Mesh, including its collagen Urogynecologic Surgical Mesh, helps the body more readily accept a foreign body implant, or reduces the risk of foreign body reaction, erosion, infection, or any other Urogynecologic Surgical Mesh complications, including

any Significant Complications or Inherent Complications, if such statement is supported by Valid Scientific Evidence.

3.12. BARD shall not, in any Marketing Materials, misrepresent the FDA approval or clearance status of its Urogynecologic Surgical Mesh devices or the extent to which any of its Urogynecologic Surgical Mesh products have been studied or clinically proven.

3.13. BARD shall not, in any Marketing Materials, misrepresent the complexity of Urogynecologic Surgical Mesh implantation procedures or the level of surgical skill and/or experience necessary to perform these procedures safely. Moreover, BARD employees shall not encourage a Health Care Provider to perform Urogynecologic Surgical Mesh implants without receiving adequate information and training on how to implant its Urogynecologic Surgical Mesh.

3.14. In any training in which BARD provides risk information, either directly or through third parties, to any Health Care Provider, BARD shall disclose all Significant Complications and Inherent Mesh Complications of its Urogynecologic Surgical Mesh.

3.15. BARD shall, in the marketing and promotion of any Urogynecologic Surgical Mesh product, ensure that its Marketing Materials and other communications do not misrepresent FDA updates or communications regarding Urogynecologic Surgical Mesh.

C. Disclosures to Health Care Providers

3.16. To the extent not prohibited by federal law, BARD shall ensure that all IFUs for its Urogynecologic Surgical Mesh products cleared through the 510(k) process include a list of all known Significant Complications and Inherent Mesh Complications.

3.17. BARD shall evaluate emerging risk information on an ongoing basis and, consistent with such risk information, shall update the warnings and precautions section of IFUs

and all Marketing Material to include Significant Complications associated with its Urogynecologic Surgical Mesh products as soon as practicable. If Bard obtains, receives, or is aware of any new risk information that necessitates a more immediate disclosure for public health and safety purposes, Bard shall notify HCPs of this information through other means, such as notices or “dear doctor letters,” as appropriate given the nature of the new information and unless otherwise directed by the FDA.

D. Studies, Clinical Data, and Sponsorship

3.18. BARD shall, when citing to any clinical study, clinical data, or preclinical data, present a fair and balanced view of available scientific literature with respect to the safety, efficacy, risks and complications of Urogynecologic Surgical Mesh.

3.19. BARD shall, when citing to any clinical study, clinical data, or preclinical data regarding Urogynecologic Surgical Mesh in its Marketing Materials, not misrepresent the results, scope, or clinical significance of any particular clinical study, clinical data, or preclinical data, including by implying a more favorable result than supported by the study or data.

3.20. BARD shall, when submitting a clinical study, clinical data, or preclinical data regarding Urogynecologic Surgical Mesh for publication, disclose BARD’s role as a Sponsor and any author’s potential conflict of interest consistent with the disclosure requirements for the International Committee of Medical Journal Editors (ICMJE) or, if different, the disclosure policies of the relevant publication.

3.21. BARD shall not cite to any clinical study, clinical data, or preclinical data regarding Urogynecologic Surgical Mesh for which BARD has not complied with the requirements of Section IIID.

3.22. BARD shall not cite to any clinical study, clinical data, or preclinical data regarding Urogynecologic Surgical Mesh for which any author/consultant, to the extent BARD knows, has not complied with the applicable publication's conflict disclosure requirements unless BARD discloses the conflict in a clear and conspicuous manner when citing to such study or data.

3.23. In all contracts for consulting services regarding Urogynecologic Surgical Mesh between BARD and any Health Care Provider or other author/consultant, BARD shall include a Sponsorship disclosure provision under which the Health Care Provider or other author/consultant agrees that he or she shall, in terms likely to be read and understood by the audience, disclose in any public presentation or submission for publication BARD's sponsorship of the contracted-for activities. BARD shall also include a disclosure clause under which the Health Care Provider or other author/consultant acknowledges that BARD may publicly report the fact that BARD made value transfers to him or her. To the extent within its control, BARD shall ensure that any HCP or author/consultant who submits for publication a clinical study, clinical data, or pre-clinical data that BARD has Sponsored, authored, or edited, in whole or in part, shall comply with the publication's conflict disclosure requirements.

3.24. In accordance with applicable law, BARD shall register BARD-sponsored clinical studies regarding its Urogynecologic Surgical Mesh with ClinicalTrials.gov. BARD shall also retain any design history files and clinical records, including but not limited to clinical data, relating to its post-December 30, 2016 Urogynecologic Surgical Mesh devices and any Urogynecologic Surgical Mesh devices that existed prior to December 30, 2016 (or substantially equivalent to such devices) over which it has or should have possession, custody or control for 15 years past the last sale date of the Urogynecologic Surgical Mesh devices to which those files

and records apply, unless a longer period is required by applicable law. BARD shall retain any non-clinical data relating to its post-December 30, 2016 Urogynecologic Surgical Mesh devices and any Urogynecologic Surgical Mesh devices that existed prior to December 30, 2016 (or substantially equivalent to such devices) over which it has or should have possession, custody or control until December 30, 2031, if not introduced prior to that date. If introduced prior to December 30, 2031, then BARD shall retain non-clinical data for 15 years past the last sale date, unless a longer period is required by applicable law.

E. BARD Internal Policies and Training

3.25. BARD shall ensure that its independent contractors, agents, and employees, who sell, market, or promote Urogynecologic Surgical Mesh or otherwise train, provide information to, or communicate with Health Care Providers regarding Urogynecologic Surgical Mesh, are adequately informed and trained regarding their obligations to report all patient complaints and/or adverse events to BARD.

3.26. BARD shall ensure that its company practices regarding the reporting of patient complaints relating to Urogynecologic Surgical Mesh as MDR reportable adverse events are consistent with FDA requirements.

F. Monitoring and Compliance

3.27. BARD shall be responsible for ensuring monitoring and compliance with the provisions of this Judgment/Order.

4. PAYMENT

4.1 BARD shall pay a total amount of \$60 million as follows: 1) the initial payment of \$15 million shall be paid by the later of October 30, 2020 or 30 days after the Effective Date; 2) the second payment of \$15 million shall be paid by April 1, 2021; and 3) the final payment of

\$30 million shall be paid by October 30, 2021. These payments will be divided and paid by BARD to each Signatory Attorney General of the Multistate Working Group in amounts to be designated by and in the sole discretion of the Multistate Executive Committee.⁵ Said payments shall be used by the States as attorneys' fees and other costs of investigation and litigation, or to be placed in, or applied to, the consumer protection enforcement including future consumer protection enforcement, consumer education, litigation or local consumer aid fund or revolving fund, used to defray the costs of the inquiry leading hereto, or for any lawful purpose, at the sole discretion of each Signatory Attorney General. The Parties acknowledge that the payments described herein are not a fine, penalty, or payment in lieu thereof.

5. ENFORCEMENT

5.1. For the purposes of resolving disputes with respect to compliance with this Judgment/Order, should any of the Signatory Attorneys General have a reasonable basis to believe that BARD has engaged in a practice that violates a provision of this Judgment/Order subsequent to the Effective Date, then such Attorney General shall notify BARD in writing of the specific objection, identify with particularity the provision of this Judgment/Order that the practice appears to violate, and give BARD thirty (30) days to respond to the notification; provided, however, that a Signatory Attorney General may take any action if the Signatory Attorney General believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.

5.2. Upon receipt of written notice, BARD shall provide a good-faith written response to the Attorney General notification, containing either a statement explaining why BARD believes it is in compliance with the Judgment/Order, or a detailed explanation of how the

⁵ The total payment, over three installments, to the Signatory Attorney General under this paragraph shall be \$2,116,918.00.

Nothing in this section shall be interpreted to limit the State of Ohio's investigative subpoena authority, to the extent such authority exists under applicable law, and BARD reserves all of its rights in responding to a CID or investigative subpoena issued pursuant to such authority.

5.3. The Attorney General may agree, in writing, to provide BARD with additional time beyond the thirty (30) days to respond to a notice provided under section 5.1 above.

5.4. Upon giving BARD thirty (30) days to respond to the notification described above, the Signatory Attorney General shall also be permitted reasonable access to inspect and copy relevant, non-privileged, non-work product records and documents in the possession, custody, or control of BARD that relate to BARD's compliance with each provision of this Judgment/Order pursuant to that State's CID or investigative subpoena authority. If the Signatory Attorney General makes or requests copies of any documents during the course of that inspection, the Signatory Attorney General shall provide a list of those documents to BARD.

5.5. The State may assert any claim that BARD has violated this Judgment/Order in a separate civil action to enforce compliance with this Judgment/Order, or may seek any other relief afforded by law for violations of the Judgment/Order, but only after providing BARD an opportunity to respond to the notification described in paragraph 5.1 above; provided, however, that a Signatory Attorney General may take any action if the Signatory Attorney General believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.

6. RELEASE

6.1 Released Claims. By its execution of this Judgment/Order, Plaintiff releases and forever discharges BARD and its past and present officers, directors, employees, representatives, agents, affiliates, parents, subsidiaries, operating companies, predecessors, assigns and successors (collectively, the "Releasees") from the following: all civil causes of action, claims, damages, restitution, disgorgement, fines, costs, attorney's fees, or penalties that the Ohio Attorney General has asserted or could have asserted against the Releasees under the State Consumer Protection Laws, or any amendments thereto, or by common law claims concerning deceptive or fraudulent trade practices, that the Signatory Attorney General has the authority to release resulting from the Covered Conduct up to and including the Effective Date. For purposes of this Section 6.1, Releasees do not include Covidien Ltd. or Medtronic PLC, or their past and present officers, directors, employees, representatives, agents, affiliates, parents, subsidiaries, operating companies, predecessors, assigns and successors.
